

2017 Softball Rules

The 2017 ASA Rulebook shall govern all league games with the exception of local league rules.

TEAM RULES:

1. All Leagues:

- A. Teams are made up of 10 starting players.
- B. A team must have a minimum of 8 players to start play and to continue play. Failure to have 8 players at game time results in a forfeit.
- C. A team can finish a game with fewer players than they started with, provided the team continues to field the minimum number of 8 players. Teams are not allowed to play with 7 or fewer players.
- D. Before the start of each game, the team managers must meet with the umpire to discuss rules and player conduct.
- E. It is highly recommended that teams keep their own scorebook, and exchange lineups before the start of the game. This is in an effort to help teams self-police to cut down on illegal players, enforce line ups and also to aid in any formal protests.

2. Coed Leagues:

- A. Teams are made up of 5 men and 5 women starting players.
- B. A team must have 2 men and 2 women in the outfield and 2 men and 2 women in the infield and opposite genders for the pitcher and catcher positions. Infielders must be positioned on the dirt of the infield diamond. Outfielders must be positioned on the grass of the outfield.
- C. A team may play with a minimum combination of 4 men and 4 women. In this configuration, the pitcher/catcher must be opposite gender, and at least one man and one woman must play in both the infield and outfield.
- D. Teams may play with combinations of 5 men and 4 women or 4 men and 5 women.
- E. Players will bat on an alternating basis between male and female. Either gender may bat first. Teams having more of one gender than the other must rotate them into the batting order as listed below.

Example: 8 men and 5 women listed on the lineup:

1st Batter #1 Female	9th Batter #5 Female
2nd Batter #1 Male	10th Batter #5 Male
3rd Batter #2 Female	11th Batter #1 Female
4th Batter #2 Male	12th Batter #6 Male
5th Batter #3 Female	13th Batter #2 Female
6th Batter #3 Male	14th Batter #7 Male
7th Batter #4 Female	15th Batter #3 Female
8th Batter #4 Male	16th Batter #8 Male

- F. Walks: A walk to a male batter results in a two base award. The next batter, a female will bat. If there are 2 outs, the female batter has the option to walk or bat.
- G. **We will no longer be using different sized balls in our coed leagues.** Both men and women will now play with a 12 inch, .52 COR ball.
- H. **When a woman is up to bat, all outfielders must stand behind the outfield restriction line (175 feet) until contact is made with the pitch.**

3. Limited Gender Restriction (LGR) League:

- A. Teams may play with as few as 2 women or 2 men on the field at a time as long as they have at least 8 players on the field at any given time.
- B. The batting order must remain constant and does not need to alternate sexes.
- C. Walks will always be for one base.

4. Extra Player (EP):
 - A. A team may add 1 to 4 EP's into their batting line-up (for a total of 11 to 14 batters). EP's must be declared before the start of the game. EP's are starting players.
 - B. The batting order with EP's must remain constant. Any 10 players may take any defensive position anytime during the course of the game in accordance with specific league rules: 2.B and 3.A. *A rotating order stated in 2.E will be considered a constant batting order*
5. Re-entry Rule:
 - A. Any of the starting players (including any EP's) may be substituted for and subsequently re-enter the game once for that substitute
 - B. A re-entering player must occupy their original position in the batting order.
 - C. Non-starting players may not re-enter the game.
 - D. A 9th or 10th player entering a game in progress is considered a starting player.
6. Pick-up Players:
 - A. In order for teams to have enough players to start or continue a game, a team may "pick-up" players for a single night's games. The "pick-up" player must have signed a team roster in order to play.
 - B. A "pick-up" player may not play for more than one team in the same league on the same night. ***Exception:** a player from the same league may be picked up if it is to avoid a forfeit only. This may mean the picked up player is the 8th person for this team or the 4th male or female for coed leagues.*
7. Courtesy (Pinch) Runners:
 - A. D Leagues: Prior to the start of the game when team managers exchange lineups, all players requiring a courtesy runner must be reported in the lineups, unless it is an obvious injury situation. It is the umpire's discretion if a courtesy runner will be allowed. All other batter-runners will be expected to run for themselves once they have legally attained base and become a runner.
 - B. E Leagues: A courtesy runner must report to the umpire. It is the umpire's discretion if a courtesy runner will be allowed.
8. Pitch Count:
 - A. All batters start with a count of 1 ball and 1 strike.
 - B. On the 3rd strike, the batter is allowed 1 foul ball. The next foul ball is an out.

GENERAL PLAYING RULES

* Team managers are responsible for the conduct of the team while in the dugout or on the field. The umpire or field supervisor will direct violations to the manager to be corrected before play resumes.

- B. Extra Inning Rule: Games tied after the time limit and any extra inning games will go to a one pitch game. Any foul ball is an out. The start of the inning begins with the last player who batted in the previous inning on 2nd base with no outs. After one extra inning and the game is still tied, the last player who batted from the previous inning will start on 3rd base. This procedure will continue for any subsequent extra innings until the winner of the game is determined.
